AS SUBJECT CHOICE

Dear Parents

Your son/daughter is starting AS and needs to choose subjects. Please discuss this with your child carefully, bearing in mind future career options.

Higher Education South Africa (HESA) will grant matriculation exemption certificates to holders of Cambridge International AS and A Levels, provided they meet the following criteria:

- Pass marks in two A Levels and three IGCSE/O Levels (grades A-C)
- Pass marks (A-D) in four AS Levels including English Language and one IGCSE/O Level (grades A-C) in subjects with SA equivalents.
- One additional language must be included.

Note: You will need to satisfy all of these requirements over a period of **not more than two (2)** exam sittings.

To obtain a Senior Certificate (non-university entrance) SAQA requires:

- A total of five subjects, including three IGCSE (grades A–C) plus two AS Level (grades A–D).
- A total of seven subjects, including five IGCSE subjects (grades A–E) plus two AS Level (grades A –D)

Each of these combinations must include English as a first language on AS level.
