## IGCSE SUBJECT CHOICE

Dear Parents

Your son/daughter is starting IGCSE and needs to choose subjects. Please discuss this with your child carefully, bearing in mind future career options.

I would recommend that they choose between 5 and 6 subjects on IG level.

Higher Education South Africa (HESA) will grant matriculation exemption certificates to holders of Cambridge International AS and A Levels, provided they meet the following criteria:

- Pass marks in two A Levels and three IGCSE/O Levels (grades A-C)
- Pass marks (A-D) in four AS Levels including English Language and one IGCSE/O Level (grades A-C) in subjects with SA equivalents.
- One additional language must be included.

Name of learner: .....

Subjects available: (Please tick the boxes)

- English (1<sup>st</sup> Language)
  - Afrikaans (Additional Language)
  - Mathematics (Core)
  - Mathematics (Extended)
  - Physical Science
  - Biology
  - Business Studies
  - Geography
  - History
  - Sociology
  - Travel and Tourism
  - Art and Design (Extra Fee R6600 per annum)
- A prerequisite for Physical Science is Mathematics Ext (i.e. Mathematics needs to be taken in order to do Physical Science)
  - A prerequisite for Business Studies is Mathematics Core.
  - All subjects are on extended level, except for Mathematics where it may be taken on Core or Extended level.
